# CONTENTS

Confidence isn't just for public speaking. It's an attitude that steers you through life. And if you weren't born with it, you can always borrow it from the New ŠKODA Fabia. With its sharp, angular lines it's way too bold to be shy. But its confidence isn't just locked in its looks. Being a thoroughbred

ŠKODA means its character is strengthened by numerous Simply Clever details both large and small yet always thoughtful, such as the multimedia bracket that keeps your smartphone safely secured and within easy reach. This is the New ŠKODA Fabia.

# DESIGN

I generate more likes on the street than on Facebook.

# EXTERIOR DESIGN

Don't beg for attention, steal it. Start with getting dressed to impress, then leave them gasping for air. Turn heads wherever you go. Attract secret admirers at every corner.

The new Fabia turns heads whichever way it turns. Sharp lines and strong curves define its rear, creating an attractive play of light and shadow. ŠKODA's unmistakable design language is spelt out in the crystal-shaped space for the license plate. The rear of the car also features the familiar illuminated C-shaped rear lights, now with a glossy black framing.

The new Fabia is as beautiful as it is dynamic. The dance between light and shadow continues, with distinctive lines running sideways along with the cut-out lines in the lower door section.

The front of the new Fabia radiates strength and confidence. The grille is designed with vertical bars, with the ŠKODA badge prominently placed on the bonnet. Lines running down the bonnet further emphasise its stunning appearance.

The panoramic glass roof stretches all the way from the windscreen to the roof spoiler. And when needed, you can roll a screen across to shield yourself from the sun.

The side indicators have now been moved into the external rear-view mirror caps, elevating the overall impression of the new Fabia by another notch.

Headlamp covers with crystal edges in the lower section reveal the brilliance reminiscent of Bohemian cut-glass masters. The top headlamp option is fitted with a black background and LEDs for daylight driving. You can further equip your Fabia with fog lamps with the corner function.

# COLOUR CONCEPT

You were born with a colour-muscle. Flex it. Marry the whites to the reds or the yellows to the blacks and the world will no longer wait for sun and rain to witness a rainbow.

Silver ColourConcept

White ColourConcept

Red ColourConcept\*

Choose the roof, side mirrors and wheels in white, silver, red or black and match them with a selection of colours for the main body.

Black ColourConcept

Your car should be your signature. Designed exclusively for the hatchback version, ColourConcept offers many options to personalise your new Fabia.

\* The Red ColourConcept will be available from January 2015. For the complete list of colour combinations please visit our website.

# INTERIOR DESIGN

You have their attention. Good. Now take them inside. Show them there's more to you than what met their awestruck eyes. Convince them that true beauty lies within.

Equally captivating is the car's interior, brimming with quality materials and precise workmanship wherever you look. An emphasis on horizontal lines and fine-tuned ergonomics makes the interior of this compact car comfortable, self-assured and surprisingly spacious.

You will enjoy the feeling of freedom and space with the panoramic glass roof.

The noble steel foot pedal covers are stylish plus enhance the driver's comfort.

The new Fabia provides extraordinary space for your friends or family in the rear seats.

# INTERIOR OPTIONS

## Active

Active Black interior

The Active version interior includes black decorative elements, such as door handles, air-ventilation frames and instrument dial frames.

Active Black interior

## Ambition

Ambition Blue interior, Piano White décor

The Ambition version interior includes decorative chrome elements such as door handles, air-ventilation frames, instrument dial frames and steering wheel details. You can choose from a number of seat upholstery and décor colour combinations. The standard equipment covers electric front windows and height-adjustable driver seat.

Ambition Red interior, Light Brushed décor

Ambition Grey interior, Light Brushed décor

Ambition Grey interior, Basket Matt décor

Style Blue interior, Piano White décor

Style Beige interior, Piano Black décor

Sports seats

Sports seats

The exclusive sports seats in a special design underline the dynamic character of your car. They are available for the Ambition and Style versions as extra equipment.

Sports seats

# SIMPLY CLEVER

Forget software. I hack life.

# INTERIOR STORAGE

Hack your life. Make it easier. Make it simpler. Find the little things that make a big difference. Call it paying attention to details. Or as we call it, Simply Clever.

## Multimedia bracket

You can drive with personal appliances, like your smartphone, safely stored in the multimedia bracket situated in the dual drinks holder on the central console.

## Pockets

Storage pockets on the insides of the front seat backrests can carry a map, mobile phone or other small items.

## Bottle holders

The storage compartments in both rear doors can hold a 0.5-litre bottle (pictured), while the front doors can hold a 1.5-litre bottle.

## Waste basket

Put small items of rubbish, like snack wrappers, into the waste basket, which can be easily removed and emptied. It can be inserted into the storage compartment in the front door panelling.

## Reflective vest compartment

Vests can be located in the storage compartments in the front door, ensuring they are always within reach.

## Glove compartment

The closed storage compartment in the dashboard has enough room to fit a 1-litre bottle inside.

# LUGGAGE COMPARTMENT

Store it. Hang it. Lift it. Lock it. Stretch the spacious luggage compartment even further with ingenious details that will make your world rock, but never roll.

## Capacity

The new Fabia's spacious luggage compartment runs some impressive numbers. The hatchback offers 330 litres with the rear seats up and 1,150 litres with the rear seats folded.

## Cover

For easier loading and transporting of large items, you can put the luggage compartment cover in a retracted position.

## Net programme

A set of nets in varying sizes will keep order in your luggage compartment and will prevent luggage from sliding around.

## Lowered cover

The luggage compartment cover, when fixed in the lower position, allows for the transport of fragile objects.

## Folding hooks

Your shopping will be safe from spilling out of the bags when hung on the hooks.

## Flexible storage compartment

This handy accessory can be used to fix smaller objects in place.

# TECHNOLOGY

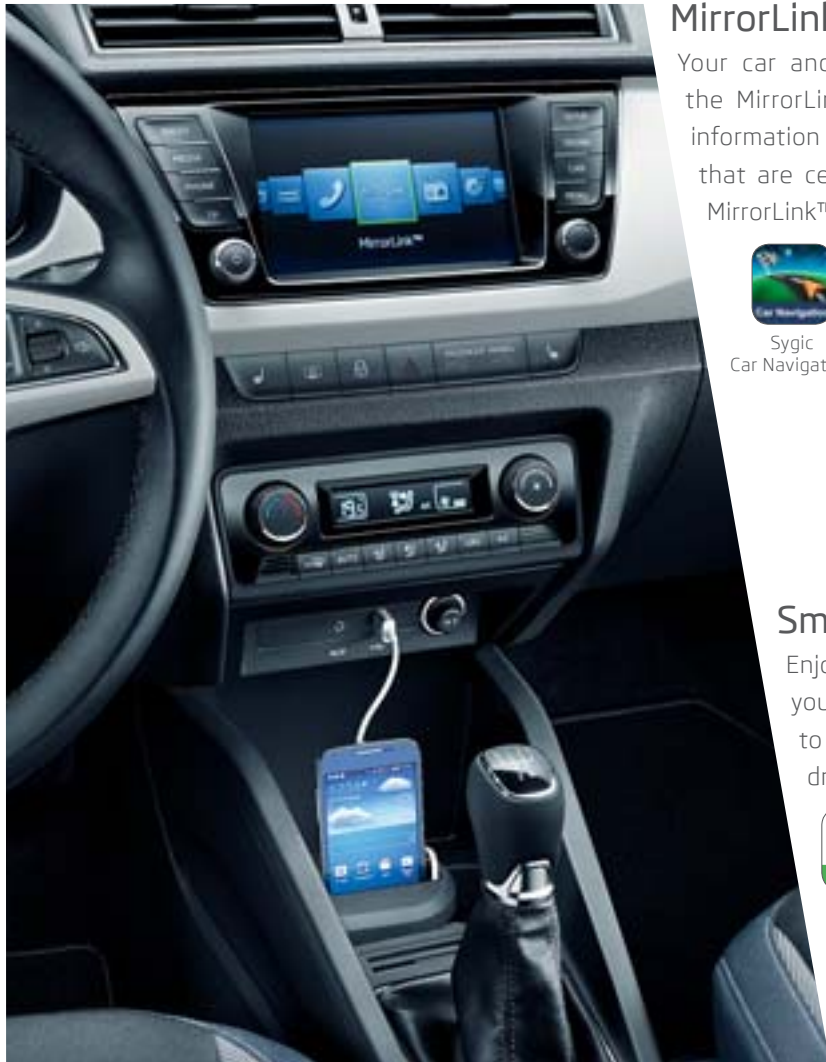

My toys also serve as my tools.

# INFOTAINMENT

Teach your smartphone to be smarter. Introduce it to your other love, your car.  
Make them speak the same language. Go anywhere. Be anyone. Do anything. But keep all your lives in sync.

## MirrorLink™

Your car and smartphone are now in perfect sync. With the MirrorLink™ system, your radio display will mirror the information from your smartphone. All installed applications that are certified as safe for vehicles are compatible with MirrorLink™.\*

Sygic  
Car Navigation

AUPEO!  
Personal Radio

Parkopedia  
Parking

WeatherPro

Audioteka

## SmartGate

Enjoy your ride long after it's over. With the SmartGate system, you can connect your smartphone to your car via Bluetooth to read interesting data about your car like driving economy, driving dynamics or service information.\*

Drive\*\*

MFA Pro\*\*

MotorSound\*\*

G-Meter

Performance

Service

\* Visit our website for usage terms and compatibility information for MirrorLink™ or SmartGate.

\*\* Applications are compatible also with MirrorLink™.

## Bolero radio

The Bolero radio has an advanced menu and functions, as well as a very comfortable and precise touch control. You can even use it to set the car menu. The SD card slot is located in the glove compartment.

## ŠKODA Surround

Turn your car into an amphitheatre. Developed in collaboration with a leading audio brand, the ŠKODA Surround sound system employs six speakers. Special software can additionally employ two virtual speakers in the front and rear. The system can also create a virtual yet impressive subwoofer.

# COMFORT

Take a deep breath. Seize comfort like you seize attention. Relax on the longest journeys without breaking a sweat. Take complete command of your life, but always look comfortable doing it.

## Height-adjustable front seats

You can easily set the seat according to your height so you feel as comfortable as at home and have an ideal view from the car.

## Electrically-adjustable and heated external mirrors

The rear-view mirrors can be quickly adjusted and defrosted or defogged from the comfort of your seat without having to open the windows.

## Electrically-adjustable windows

The controls for the front windows are conveniently located in the door panelling. If you decide on the electrically-adjustable rear windows, you'll also get the child's safety lock.

## Rain and Light Assistants

Your drive will be even safer and more pleasant now that you can leave turning on and off the lights and wipers to the Rain and Light Assistants.

## KESSY / Easy Start

The new Fabia can be equipped with KESSY (Keyless Entry, Start and exit SYstem) or with the simpler version called Easy Start. A start/stop button for keyless switching on and off the engine is located on the steering column.

## Multifunctional steering wheel

The attractive multifunctional leather steering wheel is not only pleasurable to grip, but enables you to control radio, Maxi DOT and your connected phone.

## Climatronic air conditioning

The electronic air conditioning isn't just a hard worker during the hot summer months. It will also ensure maximum comfort all year round and, thanks to the humidity sensor, will even deal with a steamed-up windscreen.

## Sunglasses compartment

Your stylish shades deserve a special safe place. The sunglasses compartment is located above the interior rear-view mirror.

## Front armrest

The front armrest, which conceals a storage compartment for small items, increases the comfort of both the driver and front passenger.

## Ticket holder

When you need to display a parking ticket in a visible place, the solution is simple. The car is equipped with a parking ticket holder under the windscreen.

## Box under front seats

A hinged storage box for various small objects can be found under both front seats.

## Ice scraper

The green ice scraper, mounted on the fuel cap, is within reach if you need it and it's not a problem to replace it there when wet.

## Parking sensors

Parking the new Fabia is easy with the assistance of the front and rear parking sensors, which use visual and audio signals to report the distance from obstacles.

## SunSet

Passengers in the rear seats will enjoy effective protection from direct sunlight and a greater sense of privacy provided by SunSet, a high-performance tinted glass.

I take risks in life, not on the road.

# SAFETY

# ASSISTANCE SYSTEMS

Get an extra pair of hands. Let technology help you do what you love doing. Remain in the limelight thanks to guardians who remain hidden.

## SpeedLimiter

The SpeedLimiter won't let you exceed speed limits. Only a sharp thrust on the gas pedal to engage full throttle will deactivate the speed limiter, for safety reasons of course.

## ESC

The ESC (Electronic Stability Control) is further refined in the new Fabia. XDS+ (electronically controlled differential) allows you to hug corners more safely and dynamically. When some of the front airbags are activated, a new feature, the MKB (multi-collision braking system), eliminates out-of-control skidding.

## Driver Activity Assistant

The Driver Activity Assistant evaluates data from the power steering sensors to detect any driver fatigue behaviour. In such cases, the Maxi DOT display warns the driver to take a break.

## Front Assistant

Using a radar in the front bumper, the Front Assistant initiates an audio/visual signal, using Maxi DOT, to warn about an impending collision. If the driver fails to respond, the system initiates braking to minimise any possible impact.

# SAFETY

Take your chances, but none while driving. Indulge in style without skimping on safety. Attract all the attention without attracting any risks. Take care of things while still being carefree.

The most valuable load is often transported in the rear. Those in the back of the car will appreciate the option of equipping the rear seats with a third headrest designed for the passenger in the middle seat.

The new Fabia is equipped with six airbags as standard to provide maximum safety to the driver as well as the crew.\* These include head, front and front side airbags.

\* Applies to EU countries.

I know how to get the most out of what I've got.

# PERFORMANCE

# PERFORMANCE

Make the streets your playground. Zig, zag, then zig some more through traffic. Get there and back and stop everywhere in between. Accomplish all of this with engines that use less fuel and are more environmentally-friendly, but won't compromise on power.

## Transmission

Manual transmission addicts can choose between the 5 or 6-speed transmission, depending on the selected engine. Both options offer precise and easy gear shifts thanks to the short gears. If you'd rather enjoy absolute power in absolute comfort, there's the automatic DSG (Direct Shift Gearbox) transmission.

## Start-Stop system

The Start-Stop system saves fuel by automatically switching off the engine when idle. The new Fabia version even responds to different preset situations for increased fuel efficiency.

## Engines

Even power comes in different flavours. A reliable daily commute demands the agile 3-cylinder engines. However, the need for speed is best served by one of the dynamic 4-cylinder TSI engines. But where you don't have a choice is with the excellent reliability and fuel efficiency of all our modern petrol and diesel engines.

A woman with blonde hair and glasses, wearing a maroon blazer over a light-colored top, is smiling and looking towards the camera. She is holding an open box of donuts with various toppings like chocolate, pink, and blue. The background is a blurred outdoor setting.

# CUSTOMISATION

# STYLE GUIDE

With the exterior colour options in the ColourConcept section, plus the interior colour combinations, there are a mind-boggling 125 possible combinations to choose from.

So, to help you decide on the best mix we created a guide to show you which exterior-interior combinations work best. So you get maximum impact with the minimum of fuss.

Which mix fits your style?

It's my way on the highway.

- 1** Sprint Yellow uni
  - 2** Black ColourConcept
  - 3** Style Black interior
- (also recommended with Ambition Grey and Active Black interiors)

- 1** Race Blue metallic
  - 2** White ColourConcept
  - 3** Style Blue interior
- (also recommended with Ambition Blue interior)

- 1** Black Magic pearl effect
- 2** Silver ColourConcept
- 3** Ambition Red interior

- 1** Corrida Red uni
  - 2** Black ColourConcept
  - 3** Active Black interior
- (also recommended with Ambition Grey and Style Black interiors)

- 1** Moon White metallic
- 2** Black ColourConcept
- 3** Ambition Red interior

- 1** Corrida Red uni
  - 2** White ColourConcept
  - 3** Ambition Grey interior
- (also recommended with Active Black and Style Black interiors)

- 1** Cappuccino Beige metallic
  - 2** Black ColourConcept
  - 3** Style Black interior
- (also recommended with Active Black and Ambition Grey interiors)

- 1** Metal Grey metallic
- 2** Silver ColourConcept
- 3** Style Beige interior

- 1** Black Magic pearl effect
- 2** Silver ColourConcept
- 3** Style Beige interior

- 1** Pacific Blue uni
  - 2** Silver ColourConcept
  - 3** Ambition Blue interior
- (also recommended with Style Blue interior)

A smiling man with a beard, wearing a colorful plaid shirt, is shown in profile. In the foreground, a motorcycle helmet is visible. The background is a blurred outdoor setting. The image is framed by blue geometric shapes in the corners.

# ACCESSORIES

What I carry carries my signature.

# ACCESSORIES

Make life a work-in-progress. Keep building and keep tweaking until it's exactly what you want. Don't settle for mere extras. Let the add-ons add to who you are.

The child seat Wavo 1-2-3 offers big comfort to small passengers aged 3-12 years (15-36 kg), besides meeting the strict Euro NCAP safety standards.

High-quality textile foot mats with the Fabia logo make the interior more comfortable and cosy.

Easy-to-clean rubber foot mats protect the interior during inclement weather.

Lockable ski and snowboard box combines practicality, style and safety. It carries up to 5 pairs of skis or 4 snowboards.

You can securely attach racks and holders, such as a bicycle carrier, ski and snowboard box, onto the basic roof rack.

Decorative door sill covers with aluminium inserts underline the car's unique design, besides protecting the door sills against mechanical damage.

Rear mud flaps protect the chassis from mud and flying stones.

The distinct style can be further underlined by the 17" Savio alloy wheels in glossy or matt black. Your car will look even more impressive with the 16" Italia alloy wheels in white. You can also choose the 16" Italia alloy wheels in silver or black.

# MERCHANDISING

Be the biggest fan of what you love. And if you love it, show it. Wear your heart on your sleeve. Or in your hand, on your head and a whole lot of places.

Women's and men's hoodie

Women's and men's T-shirt

Felt tablet case

Baseball cap

Felt keyring

The items featured above represent only a small selection. To see the entire merchandise range, contact your nearest authorised ŠKODA partner.

General information

ŠKODA Service

Put your car in good hands. We give you good reasons to choose an authorised ŠKODA service partner.

We offer you first-class quality

Your car requires advanced technology. All the authorised ŠKODA service partners have special tools and quality diagnostic systems at their disposal to ensure the perfect functionality and reliability of your car.

Professionally trained staff by the manufacturer

The ever-rising standard of the technology used in our cars requires corresponding professional qualifications on the part of the staff. To meet this requirement, the manufacturer organises regular training for the authorised ŠKODA service partners in order to provide them with up-to-date information important for their activities.

Our motto: be fair and open with our customers

Careful, professional and friendly counselling for the customers upon acceptance of orders is just as important to us as diligence and completeness with respect to repairs and maintenance work. All this is continuously monitored by internal quality control.

Comprehensive range of services:

› Service inspections

The authorised ŠKODA service partner guarantees the performance of regular service inspections in accordance with the manufacturer's instructions and ensures the long-term functionality of your car. The service schedule informs you when the service inspection must be done.

› Body and paintwork service

Damage to the body and painted areas will be fixed by your authorised ŠKODA service partner in an expert manner, in accordance with the manufacturer's instructions, using ŠKODA Genuine Parts. This is important not only for your safety, but also for functionality and maintaining your car's value.

› Courtesy car

The authorised ŠKODA service partner can provide you with a courtesy car for the period of repair or service inspection.

› Pick up and delivery service

If you are unable to take your vehicle to the ŠKODA Service, an authorised ŠKODA service partner will arrange a date with you to pick up the car. The car will be delivered back to you after the service work has been completed.

The listed services represent only part of the wide range of ŠKODA Service offers, which may vary from country to country. Please contact your authorised ŠKODA service partner for further details.

ŠKODA Applications

ŠKODA Service App – ŠKODA Service in your pocket

The ŠKODA Service application is designed for smartphones operating on iOS and Android systems and its purpose is to help ŠKODA customers in any difficult situation they may encounter on their travels.

ŠKODA Manual App – know your vehicle

The ŠKODA Manual application is aimed at users of tablet PCs who are

interested in ŠKODA vehicles or already own one. The application contains a full featured digital version of the owner's manual for all current ŠKODA models.

ŠKODA Genuine Accessories

ŠKODA Genuine Accessories offer you a wide assortment oriented to five main product groups (sport and design, music and communication, comfort and utility, transport and safety) and bicycle products. For more detailed information on the complete ŠKODA Genuine Accessories range see the individual ŠKODA model catalogues.

ŠKODA Genuine Parts

Safety

ŠKODA Genuine Parts are identical to those used in the assembly of ŠKODA vehicles. The use of first-class materials and technologies guarantees safe and worry-free motoring.

Availability

ŠKODA AUTO offers a complete range of parts and equipment items used in the vehicle's series production and does not merely focus on high-turnover parts. Our objective is to secure ŠKODA Genuine Parts supplies essential for the operation of the vehicle for a period of 15 years after the end of the model run.

Long service life

The use of first-rate materials and manufacturing technologies applied in the production of ŠKODA Genuine Parts ensure their maximum reliability and long life. As proof, we have extended the genuine batteries warranty to three years.

Environment protection

The ŠKODA Genuine Parts range includes exchange parts, which are manufactured with a low environmental impact in terms of waste, excess heat and water contamination.

Information on the internet

Information is available at [www.skoda-auto.com](http://www.skoda-auto.com) to assist you in deciding which vehicle suits your needs, thanks to the detailed descriptions and photographs of all our models. Visit [www.facebook.com/skoda](http://www.facebook.com/skoda) and become a fan of ŠKODA to receive the latest updates and get in touch with our community.

ŠKODA Finance

ŠKODA Finance provided by ŠkoFIN offers solutions for both individuals and businesses. Purchase your car with favorable conditions without additional costs. You can learn about the current credit or lease offer through any authorised ŠKODA partner.

Global fleet

The ŠKODA AUTO Global Fleet Services offer B2B fleet solutions to customers with all kinds of requirements. A fleet made up of ŠKODA cars offers unmatched roominess, long-lasting quality, safety, low total costs of ownership and as a result excellent value for money. You can find more information about our products and services at [www.skoda-auto.com/fleet](http://www.skoda-auto.com/fleet).

One of the most important goals of ŠKODA AUTO is the development and manufacture of products that are as environmentally friendly as possible throughout their life cycle phases, placing principal emphasis on the selection of recyclable materials. Our ŠKODA cars are produced using progressive types of technology in modern production facilities that meet the strictest criteria. Anticorrosive protection of the cars' painted parts is based exclusively on lead-free cataphoresis (KTL) and water-soluble paints.

Download the ŠKODA **Interactive Catalogue** and explore the car from every angle.

Download the ŠKODA **Service App** to help you on your journeys.

Download the ŠKODA **Manual App** to get easy access to all information in the owner's manual.

The environmental logo expresses ŠKODA AUTO's awareness of, responsibility for and attempts at the sustainable development of the company and a friendly approach to life and nature.

Our company strategy includes limiting fuel consumption and emissions. As a result, the engines we offer meet the current emission regulations. All ŠKODA products are made using manufacturing processes that adhere to the laws and regulations concerning the protection of soil and water. As a result of these activities, ŠKODA cars meet technical, safety, quality and environmental requirements. ŠKODA AUTO contributes to the preservation of a clean environment and provides mobility and comfort to its customers.

Some models in this catalogue are shown fitted with optional or extra equipment not necessarily included in the standard equipment. All details of technical specifications, design, equipment, materials, guarantees and appearance were accurate at the time of going to print. However, the manufacturer reserves the right to make any changes without prior notice. The information included in this catalogue is for guidance only. Due to printing technology limitations, the colours of paints or other materials shown in this catalogue may differ from reality. For up-to-date information and further details on standard and optional equipment, current prices and delivery terms and conditions contact your authorised ŠKODA partner. This catalogue was printed on cellulose paper, which was bleached without using chlorine. The paper is 100% recyclable.
